

TOSS OF COIN TO SETTLE TIES FOR PRECINCT PLACES

County Clerk H. B. Hubbard Calls Conference of Those Getting Same Vote for Committeemen.

HELD ON SATURDAY MORNING

County Central Bodies on Monday Select Delegates to State and Congressional Conventions.

A number of ties resulted in the selection of precinct committeemen at the presidential primary Tuesday, according to the official canvass which County Clerk Hubbard has completed. In the seventh district in Moline, in the democratic list, Roy S. Dailey, Dan Brennan and Benton Davis each received one vote. Former is a republican supervisor and it is probable he will present his withdrawal to County Clerk Hubbard, leaving the matter between the other two democrats. In the second precinct, Moline, J. L. Conn and Theodore Charlsberg are tied, as are Lawrence McKinney and William Aubrey, Moline twelfth, and George G. Foster and John Garvin in Drury.

Among the republicans there is no tie except in the twenty-first precinct, Moline, between L. C. Oakley and C. W. Heck. Progressives and socialists did not attempt to name complete list of committeemen. The former party selected but in seven precincts. In the seventh, Moline, there is a tie between T. L. Toline and F. D. Holt. Socialists named in seven precincts.

County Clerk Hubbard announced this morning that all ties would be disposed of Saturday morning at 9 o'clock at his office. He has sent notices to the rival committeemen to be present and it is probable that selection will depend on the toss of a coin. Meeting of the various county central committeemen will be held Monday, as required by law, for the purpose of organization and choosing delegates to congressional and state conventions. Congressional conventions will be held Wednesday and state gatherings next Friday.

County Central Committees. Complete list of county central committeemen as compiled from official returns follows:

ACHES AND PAINS

Don't neglect a pain anywhere, but find out what causes it and conquer the cause. A pain in the kidney region may put you on your back tomorrow. Don't blame the weather for swollen feet, it may be an advance warning of Bright's disease. A pain in the stomach may be the first symptom of appendicitis. A creek in a joint may be the forerunner of rheumatism. Chronic headaches more than likely warn you of serious stomach trouble. The best way is to keep in good condition day in and day out by regularly taking GOLD MEDAL HAARLEM OIL Capsules. Sold by reliable druggists. Money refunded if they do not help you. Beware of substitutes. The only pure imported Haarlem Oil Capsules are the GOLD MEDAL—(Adv.)

SUPERVISORS TO VISIT WORKHOUSE

Special Committee of Rock Island County Board Leaves Tonight On Trip of Inspection.

TO EXAMINE PLANT AT QUINCY

Will Secure Information Concerning Cost of Construction and Operation and Benefits Derived.

Members of a special committee of the Rock Island county board of supervisors, named recently to investigate the proposition for establishment of a county workhouse, will leave tonight for Quincy for the purpose of inspecting the workhouse there.

Members of the committee are Dr. Fred Graffund of Moline, M. O. Griswold of Rock Island, and Harry S. Cunningham of South Rock Island. Mr. Cunningham will not be able to make the trip and it is possible that Fred W. Young of Rock Island will act as his substitute on the committee.

Quincy maintains a municipal workhouse. The committee will seek information as to cost of construction and operation, effect of the institution on the number of offenders and methods of operation.

Report in June.

The committee is to prepare its report for the June meeting of the board of supervisors. There is pending before the board a petition to submit to the voters of the county a proposition for establishing a workhouse and a bond issue to meet the expense.

EX-PATROLMAN IS AGAIN APPOINTED

John M. Sullivan, 1302½ First avenue, a former patrolman, was today appointed to the Rock Island police force by Commissioner Liedtke and Chief Miller.

The appointment is the first of a series to be made to bring the force up to the strength city officials believe it should be. A motorcycle officer and another patrolman are soon to be named.

Mr. Sullivan succeeds W. H. Brough, who resigned Monday. Mr. Sullivan is an experienced patrolman, having served under former administrations. He is father of John Sullivan, Jr., who was a patrolman on the local force under the preceding administration. Sullivan will assume his duties tomorrow night. Another vacancy caused by the death of Patrolman Michael Collins will also be filled shortly.

Chief Miller said today that he had not selected a beat for the new patrolman, but would do so tomorrow. It is probable that there will be a rearrangement of night beats.

All the news all the time—The Argus.

Thin Folks Who Want to Get Fat

Increase in Weight Ten Pounds or More.

"I'd certainly give most anything to be able to fat up a few pounds and stay that way," declares every excessively thin man or woman. Such a result is not impossible, despite past failures. Most thin people are victims of mal-nutrition, a condition which prevents the fatty elements of food from being taken up by the blood as they are when the powers of nutrition are normal. Instead of getting into the blood, much of the fat and flesh-producing elements stay in the intestines until they pass from the body as waste.

To correct this condition and to produce a healthy, normal amount of fat, the nutritive processes must be artificially supplied with the power which nature has denied them. This can probably best be accomplished by eating a Sargol tablet with every meal. Sargol is a careful combination of six splendid assimilative agents. Taken with meals they mix with the food to turn the sugars and starches of what you have eaten into rich, ripe nourishment for the tissues and blood, and its rapid effect has been in many cases reported remarkable. Reported gains of from 10 to 25 pounds in a single month are by no means infrequent. Yet its action is perfectly natural and absolutely harmless. Sargol is sold by Harper House pharmacy, J. J. Foley, and other druggists everywhere, and every package contains a guarantee of weight increase or money back.

Note.—Sargol is recommended only as a flesh builder, and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain of weight is desired.—(Adv.)

COPY FOR ANNUAL OF SCHOOL COMPLETED

Seniors of the Moline high school have all but completed the copy for the high school 1916 M. the fourth to be issued by a graduating class of that institution. The copy will be given to the printers Friday evening of this week. The year book will be placed on sale within a month.

Several features introduced in the annual this year will make it distinctive from the 1913, 1914 and 1915 editions.

Considerable effort has been put forth on cartoons and drawing work. Edmund Stott is editor of the book and Clifford Skogh is manager.

Shakespeare festival, part of the national move to observe the 300th anniversary of the poet's death, will come in two weeks and will be the last event of its kind to be presented this school year at the Moline institution. Pupils who will participate are being coached by the faculty. "A Midsummer Night's Dream" will be staged in the school auditorium during the evening and several pageants during the day will be given.

Public Notice.

After this date I will not be responsible for any debts contracted by anyone except myself.
